

**Product name**  
SM-1000DE-W  
**Item number**  
9100509  
**Manufacturer**  
SOLAMAGIC

**Product description**

SOLAMAGIC built-in infrared heater with frame, 1kW, white

The SOLAMAGIC recessed ceiling spotlight enables safe and discreet installation of the spotlight in a wide variety of ceiling constructions. The casing is made of high quality aluminium. The device is equipped with a HeLeN gold tube which, in addition to high efficiency, achieves a very long service life (min. 5000 operating hours). In outdoor areas especially, shortwave infrared heaters allow for a highly flexible application and a continually pleasant heating zone. Due to its wavelength, the heat penetrates air particularly efficiently and guarantees high operating cost savings compared to gas and quartz radiators. Colours: titanium, high efficiency, no heating phase, dimmable via external control, protection rating: IP 24, certification mark: VDE, CE marking. Total length: 696 mm Total width: 508 mm.

**Technical Details**

<b>Model</b>	Ceiling radiator	<b>Voltage</b>	230 230 Volt
<b>Mounting method</b>	Built-in	<b>Number of heating levels</b>	1
<b>Power step OFF</b>	✘	<b>Min. heating power</b>	1000 Watt
<b>Mounting over cradle</b>	✘	<b>Max. heating power</b>	1000 Watt
